

Greetings!

Are you an animal lover? Are you familiar with the significant work of local nonprofit The Spay Neuter Project? Since opening in 2015 The Spay Neuter Project has surpassed 21,000 spay/neuter surgeries and has served thousands of pets at our low-cost monthly wellness clinics, administering life-saving vaccines and microchips to help pets get home. Additionally, we partner with mid-Missouri rescues and are advocates for the community/feral cat population providing the tools and services for Trap/Neuter/Return (TNR). The Spay Neuter Project provides an invaluable service to dogs, cats, and those who love them in Columbia and surrounding communities!

We will host our signature fundraiser, the **9th Annual Spay-Ghetti Dinner** Thursday, September 29th, at the First Presbyterian Church in downtown Columbia. This family-friendly event consists of a delicious spaghetti dinner, bake sale, a silent auction, and averages over 400 animal lovers in attendance. Proceeds from the evening will help The Spay Neuter Project keep its fees affordable, ensuring pet owners have access to high-quality and affordable care.

Just like our services, we do our best to make the dinner affordable so ALL advocates can attend. We are seeking Sponsors to make this extraordinary and fun event the most successful to date! (Sponsorship Form attached) Will you help us reach our goal of \$15,000?

Every home deserves the unconditional love a pet provides. The Spay Neuter Project's low-cost services allow ALL families to keep their four-legged family members happy and healthy while reducing the number of unwanted and homeless dogs and cats entering mid-Missouri rescues and shelters.

Please contact me if you have any questions and thank you for your consideration to help our beloved pets!
