

The Spay Neuter Project

No Kill Columbia

Greetings!

Are you an animal lover? If so you may be familiar with the significant work of the local nonprofit The Spay Neuter Project, a high-quality, high-volume, low-cost spay and neuter clinic serving pet owners, rescues, and community/feral cats right here in Columbia.

We are hosting our signature fundraiser, the **9th Annual Spay-Ghetti Dinner** Tuesday, February 21st, at the First Presbyterian Church in downtown Columbia. This family-friendly event consists of a delicious spaghetti dinner catered by the new local eatery *The Old Neighborhood Café*, talented live music, a fabulous silent auction, and bake sale! Attendance is always strong, with anywhere from 200 to 300 eager patrons coming through the doors. We are anticipating an even larger crowd this year, having had to postpone the event for the past two years, due to the Covid Pandemic and its' aftermath.

Would you help us make this the most successful dinner to date with a donation to our Silent Auction? Your donation will help SNP keep our doors open, and you're getting your business' name in front of hundreds of grateful pet lovers, who will want to support YOU in return. We encourage you to provide promotional material with your donation, and we will provide you a tax receipt.

SNP has completed over 23,000 surgeries since opening in 2015 and has served thousands of pets at our monthly low-cost vaccine clinics. Our services remove financial barriers, helping families keep their pets healthy and in the home where they are loved, while reducing the number of unplanned litters entering mid-Missouri rescues and shelters, thus saving lives.

Please contact me if you have any questions about the clinic or the event and thank you for your consideration. We would love to partner with you to help our communities' companion animals!
