PREFERRED

Current registered veterinary technician, with a license to practice in Missouri. Two or more years of experience in a veterinary clinic, veterinary hospital, and/or animal shelter or control facility. Candidate should be highly motivated, enthusiastic self-starter with a professional attitude.

WORK ENVIRONMENT

The offices and operations of a high volume spay/neuter clinic can be high stress and very busy at times. This position is scheduled for 4 days/week, usually Tuesday through Friday; however, the schedule can change and may sometimes require weekend or evening hours to complete the job. Can include working some holidays or overtime depending on clinic needs. Candidate must be flexible with schedule changes and short notice overtime requests.
